

Ohio Revised Code

Section 4169.04 Division to require inspections - report of violation.

Effective: April 12, 2021

Legislation: House Bill 442 - 133rd General Assembly

(A) The division of industrial compliance in the department of commerce shall require inspection of the construction, maintenance, and mechanical operation of passenger tramways annually or more often as the division may reasonably require. Each inspection shall be performed by a qualified inspector of an insurance company authorized to insure passenger tramways in this state.

(B) If, as the result of an inspection, an employee of the division or other agent with whom the division has contracted finds that a violation of the division's rules exists or a condition in passenger tramway construction, maintenance, or mechanical operation exists that endangers public safety, the employee or agent shall make an immediate report to the division for appropriate investigation and order.
